

March Journal Prompts

- If you were a plant in your mom's flower bed, explain how you would feel and what you would do when the strong March winds blow.

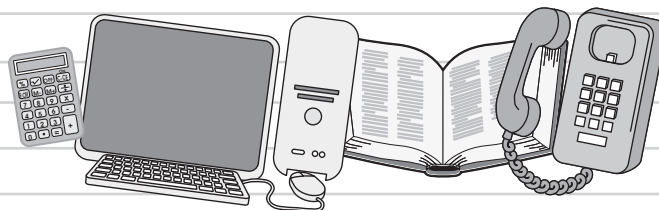

- What would you say and do if the kite you were flying suddenly took on a mind of its own and did tricks that made your friends stop and stare?
- Why do you think people get excited about the coming of spring?

- What do you think a leprechaun would rather do on the day after St. Patrick's Day: count gold coins, wish on a four-leaf clover, eat leftover corned beef, or sleep? Explain.

- Which are you more like: a calculator, a computer, an encyclopedia, or a telephone? Why?

- If you could travel forward or backward in time, would you? Why or why not?
